

Gotcha!®

*Self Contained, Lightweight,
Portable Spot Removal System*

A clear 4-inch hand tool allows the operator to see soil and residue being extracted from carpeting and upholstery.

Minuteman's Gotcha! has exceptional capacity in a small package for spot cleaning multiple areas quickly and powerfully.

Minuteman®

Minuteman's Gotcha!® is designed for spot removal and carpet maintenance operations that require maneuverability, efficiency, power and hassle-free, one-person operation.

PRODUCT FEATURES:

Ground Fault Circuit Interrupter

- Shuts off machine in the event of an electrically hazardous situation
- Safety feature protects operator from electric shock

2-Position Switch

- Allows user to choose from vacuum-only mode or dual action vacuum/pump mode
- Multiple modes provide greater flexibility of use

1.12 hp Vac Motor

- Creates 71" waterlift/80CFM
- Recovers more soil and dirty solution faster to shorten drying time

Carry/Tow Strap

- Allows machine to be carried on the shoulder or by hand

Big Cleaning in a Small Package.

Minuteman's Gotcha! is a portable spot removal system that packs a big punch when tackling extraction applications. A large 2-gallon solution/recovery tank allows for cleaning multiple spots between refills. The compact and lightweight, rotationally molded, polyethylene tanks make up a highly durable yet manageable cleaning system that can be maneuvered with ease. Gotcha! can be quickly rolled from job to job on 4" wheels or carried by the operator via the handy carrying strap or built-in handle.

In addition to 4" wheels, Gotcha can be carried via shoulder strap which enables even greater flexibility while cleaning.

The complete Gotcha! package comes with the Gotcha! Carpet Spot Kit, Transport Cart, and the portable Gotcha! Cleaning Machine.

Clean With a Variety of Features.

A two-position switch for vacuum only or pump & vacuum use adds versatility to the system. A four-inch clear hand tool allows the operator to see soil and residue being extracted from carpeting and upholstery. The Gotcha! features heavy-duty Viton™ seals which are impervious to the "new generation" chemicals available today. An optional transport cart increases maneuverability and efficiency, allowing you to transport the entire Gotcha! system.

Gotcha! Portable Spot Removal System

SPECIFICATIONS

Solution Tank Capacity	2.0 gallons (7.6 ltrs)
Recovery Tank Capacity	2.0 gallons (7.6 ltrs)
